THE LEGENDARY SILK ROAD

Experience the fascination of the diverse cultures along Central Asia's legendary Silk Road, the world's most famous trade route. The **ORIENT SILK ROAD EXPRESS**, our magnificent private train, is the only convenient way of traveling the fairy-tale realms of the fabulous Stans. Our journeys to Kazakhstan, Uzbekistan, Turkmenistan, Kyrgyzstan, and Tajikistan, offer inimitable insights into the world of Scheherazade. Visits to the old cities, ancient ruins, and vast deserts along the traditional trade route make the tales of *Arabian Nights* come to life.

But what's most outstanding about this journey is the chance to experience cultures, peoples, and delicious cuisine in regions with little to no infrastructure that are otherwise barely accessible for the international visitor—while enjoying the amenities of traveling by private train.

SILK ROAD SIGHTS: A SNEAK PEAK

UNESCO World Heritage sites wherever you look—that's what makes the legendary **SILK ROAD** in Central Asia so breathtakingly stunning. Magnificent mosques, massive mausoleums, marvelous madrassas, mighty minarets, and many more majestic

monuments make for magical memories. Add all the ruins of ancient cities, the boundless deserts, the Tian Shan Mountains, the merry markets—and you'll see quickly that this is a journey into the world of Sheherazade's tales.

REGISTAN SQUARE in Samarkand is one of the most impressive sights in Central Asia. It is surrounded by three Islamic schools and was once used for public gatherings and executions. Its awe-inspiring architecture earned it a spot on the UNESCO World Heritage List.

If you find yourself in need of exotic spices, hand-woven shawls and blankets, or even cattle, a visit to one of **CENTRAL ASIA'S CLASSIC MARKETS** will supply you with all of those.

A stroll through the narrow **ALLEYWAYS OF SAMARKAND'S** Sha-i-Zinda necropolis offers a lot of opportunities to take stunning photos, as there is a new angle to be found at every corner.

Bukhara's religious **POI-KALAN COMPLEX** boasts a magnificent minaret, a marvelous madrassa, and a majestic mosque. Mongolian emperor Genghis Khan is said to have been so impressed by the grandeur of the mosque that he mistook it for a Khan's palace.

The city of **KHIVA** is an actual oasis and feels like a movie set built for filming a tale from *Arabian Nights*.

This lady and her troupe can be seen performing **DANCES IN TRADITIONAL COSTUMES** in the courtyard of a madrassa.

Independence Monument in **ASHGABAT**, capital of Turkmenistan, built to celebrate the country's independence from the USSR.

PLOV, Uzbekistan's delicious national dish, is made of beef and/or lamb, rice, onions, carrots, and a variety of spices.

DROMEDARY OR CAMEL? After this journey, you will be able to tell them apart. This one here is a dromedary ... we think.

The medieval **ARK FORTRESS** is a walled city within the city of Bukhara. Built in the 5th century AD, it was once seat of the diverse emperors of Bukhara. Today, it's a museum complex showcasing archeological relics, the historical Throne Room and the Coronation Court.

AFRICAN EXPLORER: SAFARIS BY TRAIN

The **AFRICAN EXPLORER** private train makes the dream of railroad safaris in some of Africa's most spectacular landscapes come true on two exclusive routes, one running between South Africa and Namibia, the other covering four countries between the Victoria Falls and the Indian Ocean: South Africa, Zimbabwe, Eswatini (formerly known as Swaziland), and Mozambique.

All compartments onboard the African Explorer feature a private bathroom with shower and WC, the well-appointed dining cars serve a wide range of African and European delicacies prepared fresh by our chefs, and in the bar, guests enjoy a selection of world-class South African wines and the tasty Windhoek Lager, filling a journey through remote regions and lonely deserts with all the comforts of modern life.

AFRICAN EXPLORER: A SNEAK PEAK

Enjoy the beauty of Southern Africa on our epic railroad journeys with the **AFRICAN EXPLORER** private train, where the magnificence of the animal world and the diverse landscapes are at

your fingertips. From moonscape-like dunes in the Namibian desert to lush forests, from the Indian Ocean to the Victoria Falls—a safari by private train is the best way to experience the wonders of Africa.

CAPE TOWN's Victoria & Alfred Waterfront is the place to be in South Africa. With about 300 shops, over 50 restaurants and pubs, 11 movie theaters, and 6 museums, the iconic harbor is not only well equipped for all kinds of entertainment but also a supremely photogenic sight.

Most of Windhoek's **CHRIST CHURCH** is assembled from German parts. Emperor Wilhelm donated the windows, his wife the altar.

Enjoy Southern African hospitality and cuisine as well as fine South African wines in the **COZY RESTAURANT CAR**.

LOOKS RISKY? Well, there's no need for unease. As your guide will tell you, the animals around you are under the impression that the open-top jeep is another animal, and since it's bigger than they are, even the wildest ones will be respectful in your presence.

They say that a **LEOPARD** never changes its spots. And one of the best spots for spotting a leopard is Etosha National Park.

AFRICAN ELEPHANTS spend about 17 hours per day eating. So, since they're out and about looking for food practically all day, you will run into them sooner or later.

Yes, it's a blast to walk up and somersault down the **WORLD'S HIGHEST DUNE** in the Namib Desert. Scrubbing the fine sand out of your pores afterward is another story.

With its 100-mile ravine, Namibia's **FISH RIVER CANYON** is the second largest in the world, surpassed only by the Grand Canyon.

Once a bustling city full of German miners, **KOLMANSKOP** became a ghost town after the diamond mines closed in the 1920s.

British politician Cecil Rhodes is said to have told architects to build a bridge across the Zambezi River where trains will catch the spray of the gigantic **VICTORIA FALLS**.

THE ROYAL AL ÁNDALUS: SPAIN BY TRAIN

Whoever said that the train in Spain stays mainly in the plain? That's inane! Rolling through rolling hills and majestic mountainscapes, the royal **AL ÁNDALUS** train pampers guests with spectacular service and exquisite culinary delights that are anything but plain.

Having served the British royal family for their vacations in the last century, the Belle Epoque-style luxury compartments and salon cars were designed to meet high standards.

They perfectly complement the wonders of Spain and Portugal on two Trans-Iberian journeys showing the surprisingly different cultures and landscapes of the Iberian Peninsula. With one route going from Andalusia in the south, home of the Flamenco, to Santiago de Compostela in the north, Europe's most popular pilgrim's destination. And the other going from Portugal's capital city of Lisbon in the west to Barcelona in the east of the Iberian Peninsula.

AL ÁNDALUS: A SNEAK PEAK

Royal palaces, fairy-tale castles and churches, lush gardens, many of them popular as filming locations for Hollywood movies, flamenco dancers, terraced vineyards and green hills and valleys provide the

backdrop for one of Europe's most upscale trains, the royal **AL ÁNDALUS**. Each one of our exclusive routes offers a comprehensive image of the Iberian Peninsula's most colorful—and delightful—facets.

TOLEDO is known as the city of three cultures, since Christians, Jews, and Muslims have left their marks here. That explains oddities like the Mosque of Christ of the Light, which was once built as a mosque, then converted into a Christian church, and is now a museum.

Welcome to **ANDALUCIA**, where there's a secret fan language to decode. The woman in the picture is covering her nose with an open fan, thus signifying "I want to see you."

Construction of Antoni Gaudí's fairy-tale castle-like church, Barcelona's **SAGRADA FAMÍLIA**, started in 1882 and is still ongoing. Gaudí famously said: "My client is not in a hurry."

You've never been to Spain, but you know this place anyway? Well, it might be you're familiar with the City of Theed on the Planet Naboo. Because that's what the famous **PLAZA DE ESPAÑA** in Seville, built for the World's Fair in 1929, was supposed to depict in *Star Wars II*.

The **MULTI-COURSE MENUS** onboard the Al Ándalus are as delightful as the top-notch service is.

The Roman Bridge across the Guadalquivir River in the city of **CÓRDOBA** has been in service since about 45 BC.

Up to 350,000 people per year undertake the 500-mile pilgrimage from France to the Cathedral of **SANTIAGO DE COMPOSTELA**.

Who'd have thought they'd build a museum for a dance one day? But that's precisely what Seville's **FLAMENCO MUSEUM** is about.

Lisbon's **BELÉM TOWER**, conceived as a lighthouse, served some dark purposes in its career: its dungeons were a prison once.

Simply gorgeous—if you pardon the pun. The **GORGE OF SIL CANYON** has been used for growing grapevines even in Roman days. The vast terraces that were built here are named Ribeira Sacra. If you spot this name on a bottle of red wine, you can be sure it'll be exquisite.

THE ROYAL AL ÁNDALUS: YOUR TRAIN • OUR SERVICES

Originally built for the British royal family's vacation rides to the Côte d'Azur, the **AL ÁNDALUS** features classic Belle Epoque style as well as all the amenities of modern life. Its seven sleeping cars offer two categories of cozy compartments; every compartment is equipped with air-condition, private bathroom, shower, and WC. Four spacious salon cars from the 1920s serve as bar and restaurant cars.

- ◆ Two categories to choose from: Gran Clase with two single beds, and the larger Deluxe compartment featuring a double bed
- ◆ Fabulous cuisine: à la carte breakfast, multi-course lunches and dinners in the salon cars
- ◆ Select alcoholic and non-alcoholic beverages during meals on board
- ◆ Overnights in deluxe hotels in Santiago de Compostela and Seville
- ◆ No long waits or exhausting bus tours
- ◆ Shuttle service between hotel and airport on the first and the last day
- ◆ Porter service at train stations
- ◆ Entrance fees and sightseeing included

Our two small boutique ships, **MEKONG PEARL** and **MEKONG SUN**, make the impossible happen. On our unique cruises between Laos and Thailand, experienced captains guide our ships and guests through awe-inspiring gorges and labyrinths of pristine sandbanks, confidently navigating turbulent waters.

The Mekong Pearl and the Mekong Sun offer friendly service in a relaxed, old-world atmosphere for 29 guests at most who enjoy local specialties in the onboard restaurant and bar service on the sundeck. The two exclusive feel-good ships travel several different routes between Luang Prabang, the Golden Triangle, and Vientiane. Cruises can be as long as 12 days and as short as 6 days, offering a maximum of flexibility.

BOUTIQUE SHIP CRUISES ON THE MEKONG: A SNEAK PEEK

Enter a world of absolute serenity and outstanding natural beauty—pristine, remote, and captivating. The truly unique **MEKONG RIVER** cruises onboard our two boutique ships immerse travelers in the tropical

landscape and rich culture of Laos and Thailand. Explore the beauty of the Mekong’s tranquil waters, marvel at unspoiled vistas of tropical jungles, and get to know everyday life in secluded villages.

What looks like a traditional Buddhist temple is actually a privately owned and designed piece of art mixing different styles and religious ideas. The vast grounds of Wat Rong Khun in **CHIANG RAI** opened for visitors in 1997. Construction is supposed to be finished in 2070.

GREEN TEA may be associated with China and Japan, but some say that plantations in Thailand and Laos deliver the best quality.

Even though Laos is a landlocked country, Laotians get most of their proteins from fish—courtesy of the **MEKONG RIVER**.

Beautiful clothes, hair, and make-up are very important in Thai culture. Looking dapper is a sign of respect for your fellow humans.

PAK OU in Laos is famous for its curious Buddha caves filled with thousands of Buddha statues in all shapes and sizes.

Enjoy visits to the Wat Xieng Thong temple, a striking example of Buddhist architecture, Mount Pho Si, a hill with panoramic views, and the lively Hmong night market in **LUANG PRABANG**, the former capital of Laos.

EVERY BOY IN LAOS between the age of eight and twenty is expected to serve as a novice monk to work, pray, and study at a monastery for at least three months. For some families from the more rural areas, the monasteries provide the only form of education available.

Profound insights into the **EVERYDAY LIFE IN THE VILLAGES** on the shores of the river make for the most memorable experiences of a Mekong cruise.

Said to possess Buddha-like wisdom and patience, every **ELEPHANT IS SACRED** for a Buddhist and has to be treated with respect. It could be a reincarnation of Buddha himself.

LUANG PRABANG, once the royal capital of the Kingdom of Laos that lasted from 1953 to 1975, is said to be the most beautiful city in Laos, some even say in Southeast Asia. Most parts of the little town of only 66,000 inhabitants were declared UNESCO World Heritage in 1995.

The **SINH** is a traditional Laotian costume still worn today. The colorful pattern of the garment is often a code revealing where the woman wearing it comes from.

The **PATUXAI** in Vientiane, a monument erected to commemorate Laos's independence from France in 1949, is ironically nicknamed the Laotian Arc de Triomphe today.

The unique multilevel **KUANG SI FALLS** near Luang Prabang are a favorite of travelers because of the gorgeous natural pools.

A delicious **SPECIALTY DISH** from Thailand: two-colored sticky rice wrapped in banana leaves and then steamed.

STREET MARKETS in Laos are one of the few ways for the tribes living in the mountains to exchange their handicraft for money.

The modern-day capital of Laos, **VIENTIANE** is home to the Pha That Luang temple, a symbol of the nation. Legend has it that the breastbone of Buddha was kept here over 2,000 years ago.

ACKNOWLEDGING OUR RESPONSIBILITY IN OUR DESTINATIONS

Since the foundation of **LERNIDEE** in 1986, the company's founder, Hans Engberding—who has a company bike instead of a company car—has placed great importance on conducting business in an environmentally friendly, socially just, and sustainable way. Here's a selection of our projects.

E-BIKES AGAINST POACHING In the past, gamekeepers in Namibia had to patrol protected areas on foot. Not particularly efficient in the fight against poaching in such a vast territory. At best they had a noisy motorbike that alerted poachers in advance of their arrival. To make it easier for gamekeepers to stop

poachers and save animals' lives, Lernidee donated e-bikes so that they can quickly and silently approach poachers and arrest them.

CLIMATE PROTECTION PROJECT IN THE RAINFOREST In 2007, Lernidee began another project with the aim of sustainably compensating for the CO₂ emissions of their flights by leasing two large areas of rainforest along the upper Mekong River, where a dedicated staff looks after their preservation and reforestation. The leasing of these areas neutralizes Lernidee's carbon footprint (the size of the areas is based on the amount of CO₂ emitted by flights

organized for our guests), provides young people with income to support their families, and prevents overexploitation.

SUBSISTENCE PROJECT FOR WOMEN IN KHAYELITSHA The interior decoration of our African trains comes from a subsistence project for South African women, whose husbands are drug addicts and unable to earn a living.

DOCTORS WITHOUT BORDERS Lernidee's donations to Doctors Without Borders have made treatments for medical conditions such as malaria possible for 10,000 children in Zimbabwe.

PROJECTS SUPPORTED BY OUR GUESTS, OUR PARTNERS, AND US

NOLUTHANDO KINDERGARTEN IN CAPE TOWN In January of 1994, kindergarten teacher Mavis Mbaba founded a day care center for 45 children in her own home in Khayelitsha. In January of 1995, she was able to rent a piece of land from the local council and bit by bit build Noluthando—the Place of Love and Care. Now there are 14 employees, six of which are trained kindergarten teachers, who take care of about 200 children. Since September 1998, the kindergarten has been supported by the kind donations of our guests, which are mainly used to finance maintenance work and improvements,

so that the children get to grow up in a hygienic, child-friendly environment and are given a good start in life.

CONSIDERATE CONDUCT IN OUR DESTINATIONS So as not to overburden our destinations, we visit them only in small groups, respecting protected areas and leaving them cleaner than we found them. We support regional business cycles by hiring staff locally, by paying fair wages and by providing them with regular training. We maintain secure, long-term business relationships in our destinations and pay our fair share of local taxes.

CO₂-NEUTRAL WEBSITES Lernidee participates in the CO₂-Neutral Website Program. Our websites as well as the emissions generated by their use are neutralized by measurable CO₂ reductions. These reductions are accomplished by building new, renewable energy sources such as wind turbines and by participating in controlled CO₂-reducing projects.
